Sociology Research Paper

Write a 5 page research paper on a topic of your choice covered in the textbook. Your references must include a popular article and a scholarly article. Make sure you include a proper APA citation for the articles, and properly reference the articles in your paper if you use any quoting, paraphrasing or summarizing of the text. Make sure your paper has a properly formatted APA title page. This assignment is due by the beginning of class, Week 6.

Sociology Research Paper

Ingredients are the required materials, resources or formats needed to complete the assignment

Preparation includes the research, writing and presentation processes that need to be accomplished to successfully complete the assignment.

Ingredients

Topic
Popular Article
Scholarly Article
Proper APA Format

Preparation

Students select their own topic for a 5 page research paper using the textbook as a guide. References must include a popular article and a scholarly article. Paper needs to be in proper APA format, including title page and in-text citations. Students need to be mindful of proper quoting, paraphrasing or summarizing of the text.

Databases

- JSTOR (Arts & Sciences I, II, III, IV, V, VI and VII Collections)
  Provides image and full-text online access to back issues of selected scholarly journals in history, economics, political science, demography, mathematics, and other fields of the humanities and social sciences. WSU currently subscribes to the Arts and Sciences I, II, III, IV and VII Collections.
- ProQuest Research Library
  Includes citations and articles - many full text - on a broad range of topics including arts, business, education, general interest, health, humanities, international, law, multicultural, psychology, sciences, social sciences, and women's interests from a mix of scholarly journals, trade publications, magazines, and newspapers.
- ScienceDirect
  A Web database for scientific research that contains abstracts and the full text of more than 1000 Elsevier Science journals in the life, physical, medical, technical, and social sciences.
- Sociological Abstracts
  CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,809 serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers. Records added since 1963 contain in-depth and nonevaluative abstracts of journal articles.
- Web of Science
  Online version of the ISI indexes: Science Citation Index Expanded and Social Sciences Citation Index from 1975-. A search can be limited to one index (i.e. Science Citation Index OR Social Science Citation Index).

Research Paper Assignment Instructions

- Write a 5 page research paper on a topic of your choice covered in the textbook. *Go to the Choosing Your Topic box for help with this task.*
- Your references must include:
  - a popular article and
  - a scholarly article.
    - *Learn the Differences Between Scholarly & Popular Articles by watching the video in the box below.*
    - *The Finding Popular & Scholarly Articles box will help you with the process of obtaining the articles.*
- Learn about *The Writing Process*.
  - Use quoting, paraphrasing or summarizing of the text to avoid plagiarising.
- Make sure you include a proper APA citation to cite the articles in the text of your paper. *Consult the Citing & Formatting box.*
- Make sure your paper has a properly formatted APA title page. *See the **Formatting Your Title Page** link in the Citing & Formatting box below.*
- This assignment is due by the beginning of class, Week 6.

Choosing Your Topic

Consult your textbook's table of contents for ideas or take a look at the word cloud below.

- Explore the topic.
  Use the search box beneath the book image for the International Encyclopedia of the Social Sciences to search your topic for a background article that will help you understand your topic. You can cite this source in your paper, but it is not a scholarly or popular article.
- Identify controversies surrounding your topic.
  Many social problems discussed in your textbook are included in this list from the Opposing Viewpoints library database. Scholarly and popular articles can be found here.

Learn the Differences Between Scholarly & Popular Articles

Learn the difference between scholarly and popular articles: Handout on Scholarly & Popular Articles.

This video will show you how to identify a scholarly article.

Finding Popular & Scholarly Articles

Use the following library database (a collection of articles from both scholarly journals and popular magazines) to search for your articles.

- ProQuest Research Library
  Use topic keywords for searching. Use tabs for "Scholarly Journals" and "Magazines" to display lists of scholarly and popular articles.
