Sociology Research Paper

Write a 5 page research paper on a topic of your choice covered in the textbook. Your references must include a popular article and a scholarly article. Make sure you include a proper APA citation for the articles, and properly reference the articles in your paper if you use any quoting, paraphrasing or summarizing of the text. Make sure your paper has a properly formatted APA title page. This assignment is due by the beginning of class, Week 6.
Sociology Research Paper

Ingredients
- Topic
- Popular Article
- Scholarly Article
- Proper APA Format

Preparation
Students select their own topic for a 5 page research paper using the textbook as a guide. References must include a popular article and a scholarly article. Paper needs to be in proper APA format, including title page and in-text citations. Students need to be mindful of proper quoting, paraphrasing or summarizing of the text.
