Changing Face of the Auto Industry

We are featuring Kate Greenway's, Almanack for 1887, published fittingly in 1887, as Spring is now upon us and the seasons change once again. Beautiful full-color

Welcome to the WSU Digital Collections

The Wayne State University Library System, through its digital publishing initiatives, strives to bring unique, important, or institutionally relevant content to Wayne State University's academic community and to the larger world. Our Digital Collections represent text, images, and audiovisual material that support this mission through a diversity of projects.

Most Recent News

Adoption of "BagIt" standard for Ingest and Export of Digital Objects

As alluded to in a previous post, the Library's Digital Collections platform recently underwent a relatively major change – adopting the "BagIt" specification, developed by the Internet Engineering Task Force (IETF), for ingest and export of our digital objects. Impetus for this change came from meeting with a potential future content producer for the platform, thinking about how [...]
