Who can make you feel better

I want to know the yellowthroat's quick trill as
 I went ——— *a multitude*
 I know, too, in the glow of a screen at a black site...
 I am in control of this dream.
 I was born bald, but she couldn't find the pictures to prove it.
 I tried to stockpile sleep the way
 I am in the passenger seat of the white old car of the best friend
 I once loved and still,
 "I go apeshit for so much less" but see,
 I do not understand men.
 "I made you a birthday cake" to my friend while
 I nearly fainted and vowed immediately never to use the hand soap
 again
 I only saw an expanse of clean, matte gray tiles with a black
 I and all our friends could be there together again, even one afternoon
 under trees whose shade
 I should pawn
 I mean.
 "I paid for that, you know."
 I cannot heave my heart into my mouth
 I swallow a bird. The bird carries thread inside
 I know
 I
 I ask
 I went, winter
 I had killed it with a wayward stone.
 I knew.
