CLINICAL SOCIOLOGY REVIEW

Volume 4, 1986

Clinical Sociology Review is published annually by Brunner/Mazel, Inc., in association with the Sociological Practice Association: A Professional Organization of Clinical and Applied Sociologists.

Clinical Sociology Review publishes articles, essays, and research reports concerned with the clinical uses of sociological theory, findings or methods or which demonstrate how clinical practice at the individual, small group, large organization or social system level contributes to the development of theory. Articles in the *Review* are generally expected to be relevant to intervention at some level. Articles may also be oriented towards the teaching of clinical sociology. Manuscripts will be reviewed both for merit and for relevance to the special interests of the *Review*.

Manuscript submissions should follow the American Sociological Association style guidelines, including reference citation style, and should include an abstract. There is a \$10.00 processing fee which is waived for members of the Clinical Sociology Association. Send four copies of the manuscript to: David J. Kallen, Editor, *Clinical Sociology Review*, Department of Pediatrics/Human Development, East Lansing, MI 48824; (517) 353-0709.

Books for consideration for review in *Clinical Sociology Review* and unsolicited book reviews should be sent directly to the book review editor, Howard Rebach, 225 West College Avenue, Salisbury, MD 21801.

Subscription inquiries should be sent to the publisher, Brunner/Mazel, Inc., 19 Union Square West, New York, NY 10003. Single copies of Volume 4 are \$17.50.

Membership and other inquiries about the Sociological Practice Association should be directed to: Dr. Elizabeth Clark, President, SPA, RD 2, Box 141A, Chester, NY 10918.
