The continuation of this publication is dependent upon generous donations and other means of acquiring funds. Should the present situation of deficits continue we would have to curtail further publication. Being under the umbrella of the University has enabled us to use the facilities and services without paying retail prices for them but to become independent requires that we have a substantial operating budget. We urge our readers to contribute more than the minimum requested. Further contributions to the Elephant Interest Group should be made to WAYNE STATE UNIVERSITY/ELEPHANT to facilitate handling. Contributions are tax deductible. Once again, thank you very much.
