The continuation of this publication is dependent upon generous donations and other means of acquiring funds. Being under the umbrella of the University has enabled us to use the facilities and services without paying retail prices for them but to become independent requires that we have a substantial operating budget. We urge our readers to contribute more than the minimum requested. Further contributions to the Elephant Interest Group should be made to WAYNE STATE FUND/ELEPHANT to facilitate handling. Contributions are tax-deductible. Once again, thank you very much.
