This Back Matter is brought to you for free and open access by DigitalCommons@WayneState. It has been accepted for inclusion in Clinical Sociology Review by an authorized administrator of DigitalCommons@WayneState.

SOCIOLOGICAL PRACTICE ASSOCIATION:

A Professional Organization of Clinical and Applied Sociologists

The SOCIOLOGICAL PRACTICE ASSOCIATION was established in 1978 as the Clinical Sociology Association. Members include organizational developers, program planners, community organizers, sociotherapists, counselors, gerontologists, conflict interventionists, applied social science researchers, policy planners on all levels including international practice, and many others who practice, study, teach or do research by applying sociological knowledge for positive social change. The Association's value orientation is humanistic and multi-disciplinary.

Benefits of Membership in the Sociological Practice Association

- Receive the *Practicing Sociologist* newsletter four times each year
- Receive *Clinical Sociology Review*, an annual journal of the Association
- Take part in SPA training conferences and workshops at reduced rates
- Work on a committee and be eligible for membership on the SPA Executive Board
- Purchase *Sociological Practice*, an annual journal of the Association, at a reduced rate
- Participate in the SPA annual business meeting
- Work on any of a variety of issues that may interest you such as credentials, curriculum, training, ethics, membership or the annual program
- Be listed in the SPA Registry/Membership Directory
- Be eligible to apply for certification as a Clinical Sociologist
- Work with others toward a relevant sociology for the 1990s and beyond

For more information and a membership application, please contact Dr. Robert Bendixen, President, SPA, Department of Sociology/Anthropology, University of Wisconsin-LaCrosse, LaCrosse, WI 54601.
