Quarterly Developments

Dr. Richard Fabes Concludes Term as Associate Editor of the Quarterly

It is with regret that I announce the departure of Dr. Richard Fabes from the *Merrill-Palmer Quarterly* Editorial staff. Dr. Fabes recently completed a 3-year term (2001 to 2003) as Associate Editor of the *Quarterly*. The current Associate Editors and I will miss Dr. Fabes and the leadership and generativity he brought to the *Quarterly*. We wish him every success in future endeavors.

Dr. Marion Underwood Appointed Associate Editor of the Quarterly

I am pleased to announce that Dr. Marion K. Underwood has accepted the position of Associate Editor with the *Merrill-Palmer Quarterly*. Dr. Underwood is Associate Professor of Psychology in the School of Human Development at the University of Texas at Dallas and began her term as Associate Editor in February 2003. We are especially pleased to have Dr. Underwood join us because she has a wide range of research expertise and extensive experience as a member of scientific editorial boards and federal grant review panels.
